

Pets

Please mum, please dad
 please say yes
 It would make me so happy
 if we could get another pet
 A cute little puppy
 or maybe a cat
 a guinea pig, a hamster
 even a rat!

I'll buy all the food for it
 Look after it well
 I'll keep it very clean
 So the house doesn't smell
 I'll pay all the vet's fees
 with my pocket money
 Can't we get a gerbil,
 a goldfish or a bunny?

Please mum, please dad
 Please say it's OK
 If we get a dog
 I'll walk it every day
 A snake maybe, or a lizard
 I need another pet
 All I've got at the moment
 is a stick insect!

I'll buy all the food for it
 Look after it well
 I'll keep it very clean
 So the house doesn't smell
 I'll pay all the vet's fees
 with my pocket money
 Can't we get a gerbil,
 a goldfish or a bunny?
